

Exhibition along with Farm Innovators meet on 16th July, 2019 at NASC Complex, New Delhi

Report

An Exhibition along with Farm Innovators meet was organized by IP & TM on 16th July, 2019 at NASC Complex, New Delhi to promote the entrepreneurship development in Agriculture and Fisheries Sector. ICAR-CIFE, Mumbai has one ABI center which was established during the financial year 2016-17 and since then working for the entrepreneurship development in three components i.e. Aquaculture, Ornamental fisheries and Fish processing. Till date 25 incubatees were registered in various components at ABI Unit of ICAR-CIFE, Mumbai and 2 startups were started their own business in ornamental fish trading, rearing and breeding.

The 2 startups namely Mr. Rakesh Sawant from Shri Aquaculture, Mumbai and Mr. Chetan Salunkhe from Silver Aarya Aquatics, Pune presented their start-ups in the exhibition at NASC Complex, New Delhi. The stall was visited by several fish farmers and other guests, who were provided with the information about the startups and also about the technologies available at ICAR-CIFE, Mumbai.
