Acceptance by customer	Risk Accepted by the auditee with respect to Desktops as highlighted and reported in the audit report of Phase-I and Phase-II.
Audit Details	Round I: 24.12.2024 to 03.01.2025 Round II: 23.01.2025 to 31.01.2025
Recommendations and Conclusion	
Recommendations	It is recommended to follow the general recommendations mentioned in the report before connecting servers to the internet.
Conclusion	The mentioned IT Assets have been thoroughly tested while adhering to ISO 27001, OWASP Top 10 and best practices for security testing standards and found to be free any vulnerability/threat and is safe to use.
Reference	For detailed security assessment related to the above Network and IT Infra devices, please refer to the audit report shared by STPI. Note: STPI opinion is valid for the period during which the changes are not made in the configuration of Network & IT Infra devices mentioned above thus any changes in the system will require to re- audit of the same. Also, we recommend to follow the best practices/recommendations mentioned in the report in order to strengthen the network.
