

One-day farmers' field day

One-day farmers' field day was organized at Rajiyasar Village, Churu District on 26th July 2025. The officials from ICAR-CIFE, Rohtak Centre including Dr. M. A. Pathan (Senior Scientist & Officer-in-Charge), Dr. Sreedharan K (Scientist) and Mr. Ashok Kumar (Chief Technical Officer) attended the programme. Mr. Mohammad Irshad Khan, Assistant Director Fisheries, Govt. of Rajasthan also joined the programme. An interactive session with farmers was undertaken in which the farmers shared different issues faced by them during the shrimp culture activities. The role played by ICAR-CIFE, Rohtak Centre in promoting shrimp farming in inland salt-affected areas was well appreciated by the farmers. A total of 31 farmers attended the programme. After the meeting, nearby shrimp farm also has been visited. The meeting was highly interactive and officials from the Centre assured continued technical guidance to the farmers on different culture and disease aspects whenever required.
