- The requesting authority is responsible for any misuse of the institute mail Id issued to the project personals.

II- Usage Policy for Institute E-mail System

1. The terms and conditions in this policy are applicable to all the users of the institutional e-mail ID. Users violating these norms will lose their right to use institutional e-mail ID and disciplinary action will be initiated against them, by the appropriate authority.
2. All the users have the responsibility to use the e-mail system in productive, responsible, effective and lawful manner and avoid placing themselves and institute at the risk of legal liability based on their use.
3. The e-mail ID provided would be valid till the time of retirement / relieving from CIFE to join new place of posting / completion of contract (for faculty and staff) and completion of program (for students).
4. Use of institutional e-mail ID is allowed only for Academic / Administrative / Research and allied activities. Using it for personal communication is permitted on a limited basis with prior approval from Competent Authority.
5. Users are forbidden to send/forward unsolicited mails, spam mails, commercial / promotional / non-academic messages and virus infected contents using institutional e-mail ID.
6. Use of institutional e-mail ID is permitted only for the activities defined by the law of the land. Anyone found using the facility for anti-social and anti-national activities will fetch legal action from appropriate law enforcing agencies as per the law.
7. Maintaining the confidentiality of the username and password from the moment it's allotted to the user would be responsibility of the respective user. The user shall be responsible for any misuse of institutional e-mail ID from his / her account.
8. The institutional e-mail ID is an add-on facility provided by the institute, completely at its discretion, and cannot be construed as right of service. The institute reserves the right to block, suspend, or terminate e-mail ID for any valid reason.
9. All the users are advised to refrain from sending / broadcasting e-mails to the recipients which are not concerned with the matter.

10. The norms/policy may change as and when it is considered appropriate and new policies or the changes in policy will take effect immediately after a brief communication.
11. In case a User is requesting for an extension for a specific period to use the institute E-mail ID for Academic/Research/Institute assignment etc., the Competent Authority will take the suitable decision to allow or deny the extension to access the institute mail ID. In such case the Email ID will be put under limited Access policy, in which the user can receive all mails but can communicate only within CIFE domain (...@cife.edu.in) mail IDs.

This is issued with the approval of the Director.
